PATIENT FINANCIAL AGREEMENT AND MEDICAL CONSENT

- **Insurance Changes -** It is the responsibility of the patient/guardian to provide correct information and notify the practice of any changes to your insurance coverage, so that we can correctly file claims and accurately determine out of pocket costs. The patient is responsible for providing a current referral when/if required.
- **Co-Payments -** Co-payments are due at the time of service. If you are unable to remit your co-payment amount, the practice reserves the right to reschedule your appointment for another day/time that is convenient for you.
- **High Deductible Health Plans -** Due to the recent increase in high deductible health plans, patients with a remaining in-network balance, will be responsible for a $50.00 deposit, due at the time of service.
    - Charges for all visits will be billed to your designated insurance carrier for services rendered by Associates in Dermatology providers.
    - The $50.00 pre-payment will be applied to the account and any remaining balance, as determined by the insurance carrier will be billed to the responsible party on the account.
    - This does not apply to Medicare or Medicaid patients.
- **Prior Balances -** Prior balances are due upon receipt of a statement or at the time of a scheduled appointment, whichever comes first. If you are unable to make payment at the time of the scheduled appointment, please contact the billing office to make arrangements for the balance. If you are unable to remit payment, the practice reserves the right to reschedule your appointment for another day/time that is convenient for you.
- **Missed Appointments/No show -** There will be a $ 25 charge for missed appointments in addition to any other charges you may incur. Repeat missed appointments may result in your physician sending a letter discharging you as a patient of the practice. (This policy does not apply to/for federal and state plan beneficiaries.)
- **Insurance and Billing -** It is your responsibility to provide us with accurate and complete information concerning your primary and secondary insurance medical benefits, including referral documents from other providers. Current identification and insurance benefit cards are to be presented at each office visit. Associates in Dermatology bills insurance as a courtesy to our patients. Services that have not been paid by your health insurance carrier will become the patient's responsibility to pay in full, which shall include charges incurred for any laboratory testing and pathology. The patient acknowledges and understands that the laboratory/pathology services are separate from the physician's fee.
- **Self-Pay Patients -** It is our policy to collect payment at the time of service, this includes physician fees and/or pathology fees.
- **Phone Calls -** For any phone number provided by you to the practice at which you may be contacted, you consent to receive calls or text messages, included but not restricted to communications regarding billing and payment for items and services, unless you notify the practice to the contrary in writing. Calls and text messages include but are not limited to pre-recorded messages, artificial voice messages, automatic telephone dialing devices, or other computer assisted technology, or by electronic mail, text messaging, or by any other form of electronic communication used by the practice and/or its affiliates, contractors, servicers, clinical providers, attorneys, or its agents, including collections agencies.
- **Collections and Legal Activity -** If Associates in Dermatology does not receive prompt payment, we reserve the right to transfer your balance to outside collections after being 90 days past due. If an account is referred to outside collections, we reserve the right to dismiss the patient from the practice. The account is subject to additional fees incurred by the practice and/or related to the collections activity. Pursuant to Kentucky Revised Statutes (KRS 411.195), if your account requires the practice to use an attorney to recover the amount you owe, either by legal action or by other means, you will be responsible for payment of the practice's reasonable attorney fees and court costs.
    - I authorize all Providers, Nurse Practitioners, and Physician Assistants associated with Associates in Dermatology to release information for the purpose of payment, treatment, and routine healthcare operations, including medical research studies.
    - I authorize payment of medical benefits to all Providers, Nurse Practitioners, and Physician Assistants associated with Associates in Dermatology.
